

The First Church of Christ Congregational, Middletown Safe Church Policy

Purpose

To create a policy in compliance with the UCC recommendations that each church has a safe church policy to ensure the safety of all adults and minors within the church, and of the church itself.

Goal

Our goal is to pursue love, safety, peace and security for all who participate in our programs, wherever held.

Safe Church Policy Mission Statement

The covenants between persons seeking employment or volunteer positions in the church require honesty, integrity and truthfulness for the health of the individuals participating and for the church as a whole. We recognize that all persons are created in God's image. Both the Old and New Testaments instruct the faithful to do justice and to care for all persons. To that end, First Church of Christ, Congregational is committed to providing a safe and nurturing environment in which infants, children, youth and adults can learn about and experience God's love.

It includes behavior directed at another person's sexuality or sexual orientation with the intent of intimidating, humiliating, or embarrassing the other person, or subjecting the person to public discrimination. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when such conduct has the purpose or effect of unreasonably interfering with an individual's performance or participation in church activities or creating an intimidating, hostile, or offensive work or church environment.

The Conduct of Ministry

All persons engaged in the ministry at First Church of Christ, Congregational, including elected or appointed leaders, employees, volunteer and authorized ministers are responsible for knowing the possible impact of their words and actions in ministering to the emotional, mental, and spiritual needs of persons who come to them for help or over whom they have any kind of authority.

Sexual harassment or sexual exploitation of parishioners or other individuals by someone engaged in the ministry of First Church of Christ, Congregational, or in a ministerial position is unethical and unprofessional behavior and will not be tolerated by this congregation.

Because ministers often deal with individuals who are emotionally and psychologically fragile or otherwise personally vulnerable, it is imperative that those engaged in the ministry of this church maintain their own psychological, emotional and spiritual health and that they have adequate education for helping those individuals they serve in ministry. It is the policy of First Church of Christ Congregational to encourage its leaders, authorized ministers, employees and volunteers, to nurture safety within ministerial relationships by being attentive to self-care, education, and the importance of referring those in need to supportive and helpful resources.

Recruiting and Supervising Church Workers

A. Selection and Screening Process

All people of First Church of Christ, Congregational who work with minors shall complete the Screening Form. These Screening Forms will be retained in a confidential file and remain in the file for at least three (3) years after the end of volunteer status. The RE Board or authorized delegate in conjunction with the Authorized Minister shall be primarily responsible for screening applicants for volunteer positions with children and youth.

It is expected that all employees and volunteers who work with minors will, at a minimum, complete and submit a screening form (see attached Appendix).

State-level or criminal background checks shall be done as part of the screening process for Ministers, church Employees, Teachers, Primary Leaders, and Volunteers with prolonged or overnight contact with minors.

Other volunteers, including Volunteer Nursery Assistants, Teacher Assistants, and Volunteers for short term programs (4 or fewer Sundays/days/classes/events), who are supervised and not alone with minors may be background-checked at the discretion of the RE Board or its authorized delegate.

All Screening Forms will be reviewed by the RE Board or authorized delegate in consultation with the Authorized Minister, as needed. Prior to serving, each volunteer or staff member will meet with the RE Board or authorized delegate in order to review the statements on the Screening Forms and policy and guidelines regarding a safe and nurturing church environment.

In order to ensure safety for all persons involved, the guidelines below shall be used when inviting individuals into service as ministers to minors:

1. An individual with an undeclared criminal history shall not be considered.
2. An individual with a felony conviction involving any child abuse issue will not be considered.
3. An individual who has any criminal history that may impair or disable their ability to effectively perform the functions of the ministry position, including those which involve the abuse or neglect of a minor shall not be considered.

Background check cost will be included in the RE Board budget.

5. **The Use of Volunteer Assistance:** Due to emergencies or last-minute changes, there may be a spontaneous need for volunteers to supervise or transport minors at a church-sanctioned event or activity.
